

State Proficiency Results

State proficiency results for the Iowa Statewide Assessment of Student Progress (ISASP) are provided below. These results include all students that completed a proctored administration of the ISASP during the spring of 2021. Results for the 2019 administration are also provided. The tables provide the percent of students that were classified into each of three proficiency levels based on their test performance.

Students performing at the **Advanced** level demonstrate thorough competency over the knowledge, skills, and abilities that meet the requirements for their grade level associated with academic readiness for college and career in the subject area.

Students performing at the **Proficient** level demonstrate adequate competency over the knowledge, skills, and abilities that meet the requirements for their grade level associated with academic readiness for college and career in the subject area.

Students performing at the **Not-yet-Proficient** level have not yet demonstrated the knowledge and skills to be classified as Proficient.
