

ISASP Practice Test Preliminary Proficiency Classification

Reading

These classifications provide a preliminary estimate of the contribution of the student's Reading score to overall proficiency in English Language Arts on the Spring administration of the ISASP.

Directions for using this table for determining a student's preliminary proficiency classification can be found at <https://iowa.pearsonaccess.com/test-prep/>

Subject	Grade	Not Yet Proficient Score Range	On Track for Proficient Score Range
Reading	3	0-7	8-16
Reading	4	0-8	9-16
Reading	5	0-8	9-16
Reading	6	0-8	9-17
Reading	7	0-10	11-19
Reading	8	0-9	10-19
Reading	9	0-9	10-19
Reading	10	0-9	10-19
Reading	11	0-10	11-19

Assuming similar performance on the Language/Writing test, a score in the *Not Yet Proficient* range indicates the student is likely not yet ready to achieve a classification of Proficient in English Language Arts on the Spring administration of the ISASP.

Assuming similar performance on the Language/Writing test, a score in the *On Track for Proficient* range indicates the student is likely to achieve a classification of Proficient in English Language Arts on the Spring administration of the ISASP.
